General Guidelines

The **Gateway Destination Farmers 2021 Market** will be open from 2 p.m. until 6:00p.m.; May 21 until September 10th.

The intention is to offer locally grown vegetables, fruits, flowers, plants, baked goods, meats, dairy items and prepared foods to the Saginaw Bay Region residents and visitors. The sale of any other goods is prohibited without the explicit permission of the Market Manager or designated representative. The Gateway Destination Market place Committee/Heritage Route Authority expects honest and accurate representation by our vendors of their goods. This includes proper and when applicable, lawful labeling of their products and prices. In accordance with the City of Standish's decision to "opt-out", **no recreational or medical marijuana** can be sold as part of the market products. The Market also does not allow the sale of any **CBD oils**.

It is the responsibility of each vendor to follow ALL local, state and federal regulations and laws. Any vendor selling baked goods or prepared foods can go to the Michigan State Extension site www.msue.msu.edu/safefood to learn about the proper way to label and sell their goods.

The Gateway Destination/Heritage Route Authority Committee has the right to refuse any vendor on an individual basis on any given market day. It will be the market manager's responsibility to make decisions at the market when special circumstances arise.
